

The Invisible World

Video Sheet

Directions: Yes, we're watching a movie. No, that does not mean you can space out for the rest of the class. You have some things to do. As you watch the film, describe segments and topics that match the categories below.

Gross things:

Surprising things:

Things you had seen before:

Things you'd like to try on your own:

Now for some questions:

1. What would you like to see filmed in slow-motion?

Filmed in time-elapse?

2. This was filmed in 1979. What's changed in the world of photography since then?
