A Brief Genetics Survey

1. List 2 things you think you know about heredity or genetics

2. List 1 or 2 things you would like to learn about genetics

3. Base on what you've learned in school so far, how would you define *genetics*?

4. An exchange student from England is coming to live with your family for 3 months. Pretend that you have been asked to go to the airport to meet them, but they have no idea what you look like. Describe yourself so that they can find you near a baggage claim area.
